

BERMUDA

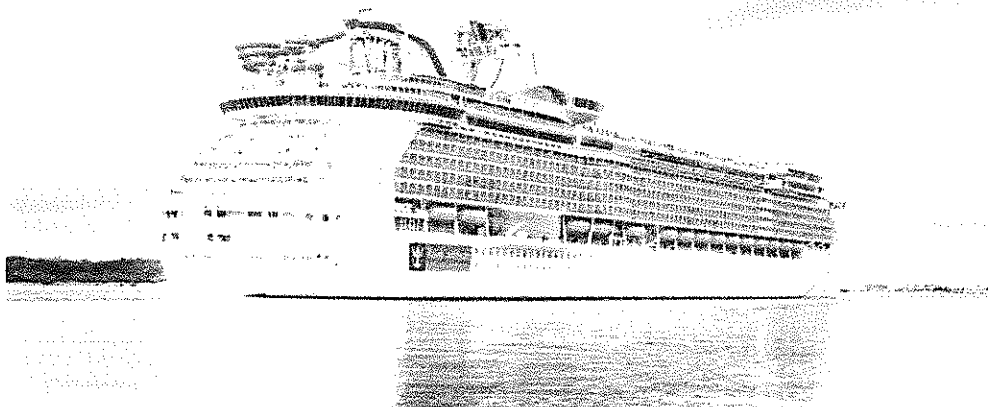

An island with pink-sand beaches on 21 square miles of breathtaking beauty, crystal clear waters, colonial architecture and blended cultures.

Enjoy a sub-tropical climate with gentle trade winds, great for many outdoor activities such as golf, tennis, horseback riding, snorkeling, scuba diving... more.

A cruise to Bermuda is one of the best ways to travel to the island destination. On a Bermuda cruise you are enjoying two types of vacation... a cruise ship experience and then exploring the island itself.

While on the cruise ship you can enjoy everything it offers, from delicious dining options, Broadway-style shows, live music, movies by the pool, casinos, clubs, bars and so much more.

Sail from the East Coast... Bayonne, NJ, or Baltimore for Bermuda. Choose other cruise destinations sailing to the Eastern, Western, Southern Caribbean from Miami, Orlando, Tampa. Or do an Alaska or European cruise. The world is open to you! The cruise would be for two adults and include cruise, taxes, gratuities, airfare and transfers if applicable.

THE VALUE OF THE CRUISE PACKAGE IS UP TO \$7,000 FOR TWO ADULTS

**** A passport is needed for this travel option****
