

2025 Fall Classic Charity Car Show and Vendor Market

Dear Friend of BARC,

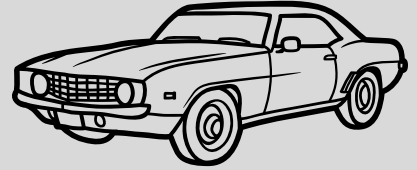

BARC Developmental Services is a non-profit organization with a mission to serve and advocate for individuals with intellectual disabilities and autism throughout Bucks County. Our ability to provide services for these individuals depends, in part, on the support of area businesses through several fundraising initiatives. The **Fall Classic Charity Car Show and Vendor Market** for BARC Developmental Services is scheduled for **Saturday, October 4th, 2025**, at The Sellersville Fire Department. As a sponsor for this event, not only will your partnership allow your company name and logo to be seen by thousands in the community, but allows our proceeds to benefit the men, women and children supported at BARC Developmental Services. We invite you to join us and many other members of the community including local business vendors, local food and light fair, a local DJ and several local agencies providing entertainment demonstrations.

We wanted to take a moment and thank you for your ongoing support. While we understand that these are difficult times for everyone, the needs of our folks remain. As a sponsor for this event, you can truly impact the lives of over 700 men, women, children, and their families, who are supported through our early intervention, residential, and vocational programs, and services. Thank you in advance for your consideration. For information about us, please visit www.barcprograms.org.

Sincerely,
Melissa J. Bradford
